

REMARKS

This Amendment responds to the Office Action mailed February 18, 2004. Claims 1-26 remain pending in the application. Claims 1-19 and 24-25 have been allowed. The Examiner has objected to claims 20-23 because the dependency of claims 20 and 21 appears to be incorrect. In particular, the Examiner has noted that Claims 20 and 21 appear to depend from Claim 16 rather than Claim 15. Applicant has amended Claims 20 and 21 to address the informality.

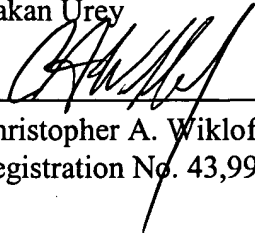

The Examiner has objected to the Abstract because it exceeds 150 words. Applicant has amended the Abstract. The Abstract now consists of 146 words.

The Examiner has indicated that Claims 1-19 and 24-25 are allowed. Applicant thanks the Examiner for the indication of allowability. Applicant cannot find further informalities in Claims 20-23 and submits that Claims 20-23 are now also in a condition suitable for a Notice of Allowance.

The Examiner is invited to contact Mr. Christopher A. Wiklof at (425) 415-6641 with any issues that may advance prosecution of the application on the merits.

Respectfully submitted,

Hakan Urey
